## POLICY STATEMENT

Build Skill Plus care about complaints. Complaints matter for everyone using our services, who deserve an explanation when things go wrong and want to know that steps have been taken to make it less likely to happen to anyone else. They matter because every concern or complaint is an opportunity to improve. Complaints may signal a problem and we need to know as a business how to improve at all times and at all opportunities.

Complaints matter because they tell us about the quality of our delivery. They tell us about how responsive a member of staff is, how safe, effective, caring and well-planned they are.

Build Skill Plus place feedback from people who use our services at the heart of our work, because every concern is an opportunity for us to improve the quality of our provision. We also want to hear about positive experiences so we can highlight good and outstanding services. We take complaints seriously – and we expect our staff to do so too. All learners/apprentices inductions describe complaints handling. Poor practice will be found and acted on. Good practice will be shared.

We work to make it easier to give us good quality feedback, and work with our staff/associates to improve learner's experience.

## SCOPE

This policy applies to all delivery provided by Build Skill Plus, including the apprenticeship provision and Internet Test Centre. We want to provide good-quality services for everyone, but things sometimes go wrong. If they do, we need to know about them so that we can put them right and learn from them. This will help us to improve our performance.

## HOW WILL WE DO THAT?

We will make it easy for all persons, learners & apprentices to make a complaint by ensuring everyone has access to this policy.

Complaints can be made:

- in person directly to their Technical Trainer.
- By email: [info@buildskillplus.co.uk](mailto:info@buildskillplus.co.uk) or by phone: 01206 693 153
- by using the complaint form (attached to this policy)

## WHAT IS A COMPLAINT?

Anyone who feels that they have had a poor service from us, or from someone providing the service for us, and have tried to get the problem solved by speaking to someone in the relevant department. This will affect you and will need a particular response from us.

## WHAT HAPPENS THEN?

Except in exceptional circumstances, every attempt will be made to ensure that both the complainant and Build Skill Plus maintain confidentiality. However, the circumstances giving rise to the complaint may be such that it may not be possible to maintain confidentiality (with each complaint judged on its own merit). Should this be the case, the situation will be explained to the complainant.

## RESPONSE FROM US

We will acknowledge your complaint within two working days of receiving it. We will tell you the name of the person who is dealing with your complaint. You will receive a full response within five working days. If this is not possible, we will send you a letter explaining why there is a delay and saying when you will receive a full response.

## SOLUTIONS

If your complaint is accepted, the person involved will try to solve the problem by doing the following.

Apologising to you and explaining what went wrong

Providing the service, you are entitled to receive

Changing procedures so that the mistake is not repeated

Asking you to detail any recommendations of areas where we can improve our performance concerning the information, advice and guidance given

If the complaint or appeal is regarding the ITC and we the Internet Test Centre cannot resolve the complaint or appeal, then the dispute should be put in writing to:

Approval and Compliance Manager

CITB Quality Assurance Team

Sand Martin House

Peterborough

PE2 8TY

Candidates must exhaust our appeals process prior to involving CITB. CITB will, in any event, always ask for the centers conclusion to any appeal prior to commencing its own review.

## EQUALITY AND DIVERSITY

Apprentices, Learners and all internal/external customers have the right to express dissatisfaction with the services they receive from Build Skill Plus. Apprentices using this policy can expect to be treated fairly and without discrimination.

As part of the Prevent strategy we promote the Fundamental British Values to reflect life in modern Britain. These values are Democracy, Rule of Law, Respect and Tolerance, Individual Liberty. Fundamental British Values underpin what it is to be a citizen in a modern and diverse Great Britain valuing our community and celebrating diversity of the UK.

Fundamental British Values are not exclusive to being British and are shared by other democratic countries as a way of creating an orderly society, where individual members can feel safe, valued and can contribute for the good of themselves and others.

## DISSEMINATION OF THE COMPLAINTS PROCEDURE

The Complaints Procedure shall be:

- Discussed on training courses
- Included in the learner/apprentice induction booklet
- Available on the Build Skill Plus website [www.buildskillplus.co.uk](http://www.buildskillplus.co.uk)
- The web link will be given to every learner as part of the induction process

## COMPLAINTS PROCEDURE STAGE 1

The Stage 1 procedure has three stages:

Informal

Formal 1 – Head of Quality, Compliance & Curriculum

Formal 2 - Panel

### INFORMAL

Apprentices/learners and customers who wish to raise issues about the conduct of trainers, assessors, test administrators and supervisors may request an informal meeting with the Head of Quality, Compliance & Curriculum. The purpose of the meeting is to enable the apprentice to talk through and clarify any issues they have; a record will be kept of such meetings. The meeting should be requested within two weeks of the event occurring.

### FORMAL 1

If this meeting fails to resolve the matter to the satisfaction of the apprentice, then the Operations and Quality Manager will conduct a meeting with the skills trainer/ skills coach or staff member in question to explore the substance of the learner/apprentice's complaint.

A record will be kept of action and timescale agreed and the Head of Quality, Compliance & Curriculum will report this back to the complainant within three working days. If subsequent action fails to resolve the matter, within the timescale, then the learner/apprentice has the right to initiate the second stage of the formal complaint.

### FORMAL 2

If an apprentice wishes to complain, the complaint is lodged in writing with the Managing Director, within ten days of the previous stage of the procedure being completed or expiry of agreed informal action timescale. The Managing Director will formally acknowledge receipt of the complaint and sets a date for the complaint to be considered by a complaint panel.

If applicable, notifications to be made to the appropriate awarding body through either the external verifier that a complaint has been lodged and gives details of how it will be heard, including the composition of the panel.

We would request that you substantiate any complaints or allegations with as much written factual evidence as you can. It might be that we contact you for further information if required in order to investigate any complaint raised, please ensure you enclose contact details. This will assist in reaching a speedy conclusion to the complaint.

The complaint panel meets to consider the complaint within 28 working days of the date of receipt of the complaint form.

- A member of the Senior Management Team
- A Technical Tutor for the relevant apprenticeship and or award (if applicable)
- An Internal Quality Assurer

The panel will ensure that it has full accounts from all parties involved. The Internal Quality Assurer can support the learner in the preparation of the written report/account of the issue/complaint. It will not have as members anyone involved in the complaint.

They will inform the complainant that they have the right to be accompanied in the panel meeting.

## OUTCOME

The outcome of the complaint shall also be recorded, together with reasons for that decision, with the outcome falling into one of the following categories:

## ASSESSMENT EXAMINATION OR EPA DECISION APPEALS

Build Skill Plus aims to provide a high-quality service to all our apprentices/learners. However, occasionally individuals may be unhappy about some aspect of their training or assessment which may give rise to concern. Each apprentice/learner has the right to appeal against an assessment decision if he/she feels that a decision is unfair.

This process is designed to ensure concerns are dealt with effectively and in the shortest possible time.

## HOW DO I APPEAL?

If you feel that you have been wrongly or unfairly treated, you should, in the first instance, speak to the Head of Quality, Compliance & Curriculum to try and resolve the problem informally within 2 weeks of the assessment/feedback taking place.

If the issue remains unresolved then the complainant should submit a formal letter of appeal to the Head of Quality, Compliance & Curriculum (within two weeks of feedback provided), with the details of the qualifications and any supporting evidence.

If the appeal remains unresolved as a result of the review of the evidence provided, the appeal will then be referred to the Managing Director.

A panel made up of Senior Leadership Team in consultation with the internal quality assessor and technical tutor will meet to judge the evidence within 30 days of escalation.

Within seven days of receipt of the decision made by the above the Managing will advise the apprentice of the decision in writing.

Should the apprentice remain unhappy with the decision then the apprentice has the right to appeal to the relevant awarding body/EPA, within 7 days.

The awarding body/EPA decision is final.

## QUALITY ASSURANCE

The Head of Quality, Compliance & Curriculum will monitor the appeals procedure, in order to ensure that quality standards and the effectiveness of the procedure are maintained.

The Head of Quality, Compliance & Curriculum will ensure that records on any matters related to the Appeals Procedure are maintained. These records will be held securely and remain confidential to the parties involved.

## FURTHER POINTS TO RAISE

If at any stage of the appeal you require any guidance, support or further assistance you should speak to a member of the senior management team. Alternatively, you could speak to company contract. Any help you seek will be in the strictest confidence.

It is important that if you make the decision to appeal you appreciate that no one will proceed further without your agreement. If you feel your concern has been resolved, you can withdraw at any stage.

Any apprentice/learner/customer who thinks that there are circumstances outside the course/qualification, such as health or personal problems, which could adversely affect their performance in any form of assessment should bring these to the attention of the skills trainer/course contact as soon as possible before the relevant assessment.

Any apprentice/learner/customer who believes that the assessment is taking place in conditions, which could significantly adversely affect their performance, should bring these to the attention of the tutor at the time of the assessment.

## Escalation

If you remain unhappy after following our own internal appeals procedure then please contact the Awarding Organisation directly.

The Head of Quality, Compliance & Curriculum will provide you with the relevant Awarding Organisation details.

Should you address your appeal/complaint to the Awarding Organisation and remain unhappy with the outcome you may then raise your appeal to the relevant qualification regulator. Either a representative of Buildskill Plus or the Awarding Organisation will be able to offer you guidance on the appropriate qualification regulator in each instance and provide contact details.
